

Pontiacs of Idaho (POI) is Chapter #104 of Pontiac Oakland Club International Inc. and was Chartered in September of 2021. The goal of POI is not only to be a part of our community but to preserve, restore and enjoy Pontiac, GMC, and Oakland vehicles as well as to encourage and support vintage car collecting. One of the ways we do this is by involving automotive students in our car shows.

In May of 2022, the POI held its first Pontiac, Buick, Oldsmobile, Cadillac, and GMC car show in Emmett which was a huge success with over 100 cars in attendance. We asked the automotive students from the **Payette River Technical Academy (PR2TA)** to judge a few cars for us. For the last two years our car shows have exposed several students from the Academy's automotive, culinary, and engineering classes to additional life lessons in communication, decision making and problem solving. In addition, with the help from our sponsors we have been able to contribute over \$5000 to PR2TA .

This year's car show is on May 18, 2024, and our goal is to donate at least \$3,000 to **PR2TA**. With your sponsorship, we believe we can achieve that goal! Becoming a sponsor gives you the opportunity to market your business and to be part of the community. In addition, the Club has recently received exempt status as a 501(c)(3), making your sponsorship tax deductible. We have 3 sponsorship options that you can choose from on the reverse side.

We are looking forward to hearing from you and are excited to welcome you as a new or returning sponsor. Please also let us know if there are other ways we can partner together on fundraising and/or activities for our community.

Thank you.
